Innovation Norway

The ECERS International Meeting brings together researchers from all over the world who use the Environment Rating Scales.

In addition to sharing recent research using the ERS, and promoting international collaboration, the group also discusses many different aspects relating to the definition, measurement and improvement of quality. These have included:

- Measurement issues
- Issues of reliability and validity
- Effective methods of improving quality through professional development
- Cross-cultural comparisons and concepts of quality
- Developments in the ERS toolkit
- Using ERS to inform policy and practice

The meeting will be held in Oslo Metropolitan University (OsloMet), Faculty of Education and International Studies

Pilestredet 46, room 318, 0167 Oslo (Norway)

The deadline for abstracts January 15th. Confirmation of Selected Papers February 2nd. The registration deadline April 1st.

Abstracts and registrations should be sent to ECERS2026@gmail.com
